# VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

## More Bushy Redheads

Dear Virgin Territory,

I was reluctant to write but here it is. I'm always buying your mags; *Naughty Neighbors*, *Newcummers* and *18eighteen*. It kills me to see so many redheads in each issue that have no pubes! In my humble opinion redheads are so hot and rare that by rule they need to have a full bush every time, please! Will you please show more full-bush redheads for all your bush aficionados?

The other suggestion is if you could make an "All Bush Special Edition" of *Naughty Neighbors* please? I think that will be a big hit with all your readers. Thank you so much.—J.R., Agoura, California

Dear J.R.,

We are always looking for girls with bush, but we don't come across too many these days, especially redheads. But whenever we do find a bush babe we publish her as soon as we can. Make sure you check out the July '18 issue of *Naughty Neighbors*, which features four full Bush Baby pictorials.

## Mae's Rear Makes a Return

Dear Virgin Territory,

Thank you so much for showing Mae doing anal in the June '18 issue. I've missed her since she's retired. I didn't think I would see any more photos or video of her again, but I was pleasantly surprised to see this layout of her. I've always loved Mae and was very disappointed when she stopped shooting. I wonder what she's up to now, but I respect her decision to leave the industry. If she ever decides to make a come-back, there are many people who would be very happy to see her.

But for now, I'll just enjoy these rare anal photos of Mae. That center-fold photo is the money shot. Great anal penetration and the look on Mae's face shows that she was genuinely in the throes of passion. Is there a video for this scene? Please say yes!—K.B., Rolla Missouri

Dear K.B.,

Unfortunately we don't have video of that scene. At the time, Mae had never done anal before and only wanted to test the waters with a photoshoot. But you can see her hardcore videos in *Glazed Teens* and *Flat & Fucked 6*.

## Tight Lil' Ava

Dear Virgin Territory,

Ava gave me a stirring in my pants. This naughty, little redhead from the June '18 issue can have all my cum. I like those big, juicy nipples of hers. I would love to suck on

them while she rides my cock. She says that her pussy is tight and she can barely fit two fingers in there. I think we need to see evidence of this, and how she handles a cock stretching out her tight pussy. From what I can tell, she does look tight in the photos where she's spreading her lips open, like on pages 33 and 34. Her hole looks deliciously small. And it already looks like it's a tight fit for her one finger on page 35. I can't wait to see her filled up with something bigger, like a hard porn cock. Please tell me Ava does hardcore!—S.S., Sarasota, Florida

Dear S.S.,

Ava has a hardcore set that you'll be seeing soon. If you can't wait, you can watch her XXX scene in *After School Slut Club 6*.

## Vienna For Your Sausage

Dear Virgin Territory,

If I saw Vienna trying to hitch a ride on the side of the road, I would definitely pick her up! Of course I wouldn't expect anything of her. Just being in her presence would be nice enough. But if she wanted to fulfill a fantasy of fucking a stranger I certainly wouldn't stop her! Yes, if I were to give her a ride, it would be out of the kindness of my heart, but also the kindness of my hard-on. The two aren't mutually exclusive.

Vienna has such a cute face and an adorable slit. I wouldn't mind giving her a tongue bath after a long day of standing on the side of the road. I would even rub her feet and suck her toes too, if she wanted. I think she

has a yummy butthole, but it's hard to tell from the small photo on page 39. Next time, please include a bigger close-up shot of Vienna's butthole so I can see exactly how delicious it looks.—V., via email

Dear V.,

Here's a close-up photo of Vienna's butthole. Enjoy!

## Tender & Tasty Arianna

Dear Virgin Territory,

Arianna is the definition of succulent. She is absolutely tender, juicy and tasty. I would love to explore that teen body of hers. I would start off kissing her sweetly and slipping

my tongue into her inexperienced mouth, getting her nice and warmed up for what's to come. Then I would play with those perfect B-cups, cupping them, squeezing them and sucking and gently nibbling on her pink nips. I would kiss my way down her stomach till I reached her beautiful shaved pussy. Now it would be time to make her soak the sheets. I'd lap up her slit with my tongue and tug on her pussy lips with my lips. I'd snake my tongue into her teen tunnel to taste all of her sweet juices, and then I'd slip my fingers in to prepare her for my cock. Once my face and the sheets were coated with her cum, I'd come up to slide my aching, hard cock into her tight pussy. Arianna would quiver and moan as I pumped her full of cock. We would do lots of positions—missionary, doggie, cowgirl, reverse cowgirl. I'd even like to give the piledriver a shot. After she enjoyed multiple orgasms I'd give her the final pumps, filling her teen pussy with hot cum. Please pass this along to Arianna and let her know that there's a guy out there thinking of her.—G., Ely, Nevada

Dear G.,

We're sure Arianna will be tickled to

## Surprise for Step-dad

Dear Virgin Territory,

I am not your usual reader. I'm an actual 18-year-old girl who happened to find a stack of your magazines hidden in my step-dad's office.

**A girl who looks like Marissa wants to do her step-dad.**

Reading your magazine opened up a whole new world for me. I had no idea that girls my age were doing these kinds of things! I also didn't know that girls my age liked older men. That made me feel a lot better, as I've always had crushes on my teachers and even my step-dad. I'm writing this letter to you in hopes that my step-dad will see it and get the hint! I know that's kind of fucked up, but my mom is a total bitch anyway and I know he's not happy with her. I don't expect him to runaway with me or anything. I just want to know what it's like to have good sex and finally fulfill my fantasy of being with an older guy.

I don't want to completely give away my identity, but I'll leave some hints. I live on the West coast, I have reddish-brown hair and I love acting. I'd love it if one day I could make a living being an actress. I looked through all the issues my step-dad has and I think I look the most like Marissa who was on the cover of the Holiday '15 magazine. If my step-dad reads this, I want him to know that I've seen the way he looks at me when I'm in the pool. And that time

he walked in on me in the bathroom, well, I had left the door unlocked intentionally. If he's ready to do this, so am I. And the secret will be safe with me. I'll know that you're in if you ask me if I liked the magazines I found in your office.—Anonymous

Dear Anonymous,  
*Whoa! Keep us updated on how things*

go. We're sure many readers will be curious to know.

## Hot Body Honies

Dear Virgin Territory,

Can you please do a Hot Body Contest? You have so many fine teens who would be excellent contenders. It would be a tight race, and I'm sure your readers would have a hard time picking just one girl. As for me, here are the girls I would like to see in a Hot Body Contest. Abby.

This sexy blonde from the Feb. '13 issue is damn near perfect. She could be a mainstream fashion model if she wanted!

Arianna Marie. She's tight and so right, and those boobs are some of

**Emiliana may have the best ass ever.**

the perkiest I've ever seen. Speaking of boobs, Cece needs to be in the Hot Body Contest because of her incredible rack. Emily Harper deserves a spot because curves are always in. And when it comes to booty, Emiliana Grey and Jessi Rogers can go cheek to cheek! I also love fit, athletic girls and Charlie Lynn fits the bill. I wish we could have seen more of her in your magazine. These are my picks, but there are so many more. I'd love it if other readers wrote in commenting their picks for the Hot Body Contest.—F.P., Calgary, Alberta, Canada

Dear F.P.,

The girls you named are certainly great choices for a hot body contest. We'll take it into consideration.

## Asian Fuck Dolls

Dear Virgin Territory,

It's been a while since you've featured any Asian girls. I hope you shoot some soon. Please try to find girls like Alina Li and Yui. They look like perfect little dolls who I'd love to

fill with cum. It would be great if you could do a video of all Asian teens. You have enough girls, including Layla Mynxxx, Jayden Lee, Amai Liu, Ava Lee and Sasha Yung. It would be nice if you could get some new girls too. As you probably know, Asians are big on the whole school-girl thing so dress them up in uni-

forms. Maybe even have one or two of them shag a black guy with a huge black cock and have them get huge facials from the BBC. Whatever you decide to do with them, a movie of all Asians teens would be hot no matter what!—A.P., Cardiff, Wales, United Kingdom

Dear A.P.,

We'd love to feature more Asian girls but haven't found very many lately. Rest assured that as soon as we have any, we'll run their layouts.

### Creampie Cuties

Dear Virgin Territory,

I was thrilled to finally see a creampie in your magazine with Ivy's layout in the June '18 issue. There's something about a warm pussy oozing cum that turns me on so much. It's like a glazed honey bun fresh out of the oven. And speaking of creampies and warm buns, please get one of your girls who does anal to do an anal creampie. I wonder why girls who do anal wouldn't do them more often. There's less chance for pregnancy and I imagine it's less messy than getting cum all over their face—not that I don't love seeing a girl get a good facial. But facials are everywhere in porn. I want to see more hot pussy and anal creampies.

Personally I think the best way to cum is inside of a girl. So when I see a girl pushing a creampie out of her pussy I think of how good it must feel to fuck her raw and fill her up

with cum. So please hook me up with some creampies, *18eighteen!*—D.H., Pueblo, Colorado

Dear D.H.,

Our girls can be a little reserved about doing creampies, but if they are willing, so are we. We'll keep an eye out for our next backdoor explorers and see if they'd be up for an anal creampie.

All day, these teen babes are dreaming about sex. By the time class is dismissed, their panties are soaked and they're in major need of cumming. Clad in their cute schoolgirl uniforms, they go on the hunt for guys willing to fill their tight pussies with man-meat. Charity gives a nerd a once-in-a-lifetime opportunity to fuck her pussy. She grinds her hips as she rides. After pumping her pussy on his dick, she takes his load with her tongue out. Part of Madison's lesson from her tutor is how to swallow his cock without gagging once. Check! Then she learns how to take his cock in her tight pussy. Check!

Vienna deep throats her friend's dad till his rod is swollen and throbbing, just like her pussy. She hops on top for a hot dick ride. Like a gentleman, he lets her cum first. And like a gentleman, he

then gives her a facial. Ava needs to get her grades up, but the only thing she gets up is the tutor's cock. He tries to get her to study, but this pervy pupil just wants to fuck. Warning: She's a moaner!

A woman with short brown hair, wearing a blue and pink floral top and red and blue plaid pants, is being held by a man. She is looking directly at the camera with a surprised expression. Hailey is a private school girl who's a little uptight. She needs some help loosening up, which is what her big-cocked fuck buddy is here for. Riley is a beautiful blonde with tiny tits and a perfect butthole. She's supposed to be doing homework, but sucking and fucking an older man's cock sounds way more fun. Her pussy coats his shaft with teen cream as they screw, then she sucks and jacks him till he douses her in cum.

A full-body photograph of a nude woman with long, dark red hair and a blue headband. She is sitting on a dark grey couch, looking directly at the camera with a slight smile. Her right arm is resting on a silver laptop keyboard, and her legs are tucked under her. The background shows a bright, outdoor setting with a body of water and some greenery.

## Sabina is a grade-A student.

But it's not so much because she cares about her grades or getting into a good college. It's because she wants to impress one of her teachers. "Whenever he tells me that I did a good job or that he's proud of me, it makes my panties wet. I'm pretty sure I'm his favorite student. He's more than just my favorite teacher. He's the guy I want to fuck so bad! Sometimes I like to get naked when I do his homework because it reminds me of him."

### **So it's safe to say that you like older guys?**

"Yes. I feel I'm an old soul so I get along better with older men than boys my age. A guy my age will hesitate and be nervous just to kiss me. I want someone who is confident and aggressive. Who will just grab me and kiss me and start feeling up on me. I need a guy who will take the lead. All the guys my age I've hooked up with have been just okay. But then I hooked up with my neighbor, who is like 40, and it was so different! He ate me out and fingered me and made me cum in like three minutes. Now I want to see how fast my teacher can make me cum."

### Are you going to hit on your teacher?

"I flirt with him all the time. He has to know I have a crush on him. But I'm scared to really go for it. I'm hoping that something will happen after graduation. But for now I'll just keep on using my dildo and pretending it's his cock, and I'll keep on soaking my panties in class."

# UNplugged

I looked around. Bunch of desks, flag in the corner, white boards. A college classroom, sure, but pretty much the same as every other classroom I'd ever been in. Of course, this time, I wouldn't be out there. I'd be up front, doing the heavy lifting. Gulp.

I settled in, got ready. Couldn't believe Intro to College was a class, but hell, it had to be an easy one, right? All the rookies got stuck with it because we were younger than the tenured staff. Fine by me. I'd be teaching English Lit before lunch, and Great American Novels at two. Not a bad way to start my new career.

The room started filling up. Several student hellos, some waves, a couple of nervous glances. It felt like I was in a bad coming-of-age flick, until I got a good look at the student body. Well, bodies. Several who were dressed as if shorts and halter tops could keep the school year at bay solely on the power of exposed flesh. We weren't ninety seconds into the semester, but I was sure rooting for them.

I had everyone introduce themselves. Roxane would be easy to remember. Gigantic tits and enough earrings to set off a metal detector. Diana looked like the class rich-bitch, dressed in designer everything, trying to be sneaky about being on her cell phone. Mindy looked like the poster girl for oral sex. I'd have thought she'd had collagen injections if she didn't look so young.

And then there was Tori. Victoria, actually, but she corrected me when I'd called her name. She was young looking too, but there was something about her. Couldn't quite put my finger on it, but something made me keep glancing her way when I was scanning the room. What was it, though? Wasn't the boobs, because there wasn't a whole lot going on upstairs. Nice looking, but nothing that really stood out. Not the long, salon-styled hair Diana had, or the pouty cocksucker lips Mindy was sporting. Maybe it was the skirt. I like skirts. Legs and ass is my thing. Just before class ended, it hit me. No, it

wasn't the skirt. A classic Catholic school type? That was undeniably hot. Tori's wasn't even short, though. Her legs? Not bad, but not the kind of pins you were going to get on the cover of *Sports Illustrated* with. No, what kept drawing my attention was what she was doing with her legs. As in, pressing them together like she had to pee. Like, bad. Knees locked, toes touching, occasionally shifting to rub her calves together. I hoped I wasn't staring, because any second, she was going to give me an erection I'd have to dive behind my desk to hide. The idea of her holding it? Trying to keep from raising her hand to ask if she could go to the bathroom? That sure had me going.

I almost went long. Well, not *that* way, but I'd totally forgotten—it was college, newb. No bells. No kids rushing to lockers. Just the wall clock. Luckily, I wrapped things up before they started giving me looks. Made pleasantries and mentioned my office door was always open, yada yada, while they hustled out. All except Tori, who lagged behind.

Last one to leave, I noticed. My day was looking up. I gave her a polite smile, still trying not to stare, when she dropped her pen. We both reached to pick it up, but she beat me to it. Which really ended up rocking my world. Tori wasn't holding it after all. Her books, tucked under one arm, caught the side of her skirt, lifting it up enough for me to see that she wasn't wearing any undies. Sexy as fuck, that. But the stunner was the little pink nub I saw between her cheeks. The telltale evidence that she was using a butt plug.

"Oh, I've got it, thanks!" she said, smiling. There was an uncomfortable

second where I didn't say anything out of shock, but she just gave me a nod and bounced off, blending in with the crowd.

I slid behind my desk, all kinds of uncomfortable. The hard-on I had? I could've pounded through drywall.

Eyeing the students filing in for English Lit made the room feel warmer. Mindy was a repeat. So was

Steve, not that I'd paid much attention to the guys during Intro... class. A kid named Greg who I was sure was stoned. Deric, my only student with an S next to his name. About six foot eight with a wingspan like a pterodactyl. Athletic Scholarship-check.

Most important, though, was the reappearance of Tori, whose stride and apparent comfort sitting made me wonder if she was still enjoying her anal plaything. I hoped so. Not that it

mattered, really, but still. Even though I wasn't going to find out any more about her ass habits, I liked the idea of her sitting there in front, able to rub that rubber knob with the slightest roll of her hips, or shifting her weight. She was slender. Nice backside, but not what the guys would call booty. She had more of a gymnast's build, now that I thought of it. Which I was probably doing too much of. She'd noticed. I saw her stifle a giggle.

Forty minutes of desperately try-

ing not to pay attention. Failing from about the three minute mark, when she was the only one to raise her hand. Pretty tough not to call on her then. So I did.

She got the right answer. I stammered anyway. Spreading her knees, she gave me an unobstructed view up her skirt, showing off her neatly trimmed pubes.

I moved on, but of course, even trying to engage some of the shy kids, Tori's hand drew attention. Turned out she was really bright. And her pussy was really wet.

We'd been warned. All faculty had. Don't let students interact with you inappropriately. Don't let students know you find them attractive. All sorts of Dos and Don'ts they'd been drilling into me for the past six years. Right now, though, all I could think about was drilling Tori. Maybe in the back of my SUV, doggie-style. Or off campus somewhere. Anywhere no one would find out. Yeah, yeah, total fantasy. Some barely legal freshman was into flashing her prof. I'd heard plenty of stories from faculty who'd been through it before. Discourage it, or just ignore it. She'd get tired soon enough. So, I tried. Found myself calling on Mindy a couple of times. Not a good idea. Didn't matter what she said, every time she spoke, it looked like she was offering me a blow job.

This time, I didn't come close to running over. I wrapped up early so I could go hide behind my desk and maybe rethink my future. If the subject matter wasn't so boring, I probably would've jizzed my pants.

"Mr. Landry? Got a sec?"

No. Impossible. This couldn't be happening to me.

Of course, it was.

"Sure, Tori. What's up? What can I do for you?"

"Do you do private tutoring?"

"Well, I don't have anything scheduled, the semester's just started. Why?"

"Well, I had a lot of problems with some of the writers on the syllabus in high school, so—"

Danger, Will Robinson! All my alarms were going off. She was lying. I was sure of it. Any one-on-one session with this girl was a recipe for disaster. I looked up. Saw a shadow by the door. How...how had the

## Naughty Mary breaks the rules!

She won't do her schoolwork. She skips class all the time. She goes off with boys. Mary doesn't like to do what's asked of her. It's a wonder that her parents can even get her to wear her uniform. "I like wearing my uniform because I feel even more naughty in it. I look the same as all my other mates, but I can guarantee you I've got the dirtiest mind of them all."

"What places I can go for a shag without getting caught, and which bloke I'd like to fool around with today. I'll eye a bloke I like and fantasize about how fast I can make him cum with a blowie and a shag. I'm also often tempted to flash a random stranger my tits."

Valery:  
Bra Free

## Valery is so flat, she doesn't need to wear a bra!

This little Frenchy is basically nothing but nip. The only thing that protrudes under her white shirt are her pointy nipples. With barely even an A-cup, Valery doesn't see the need to wear a bra. "I don't have anything to support, so why should I wear a bra? The less clothes I can wear, the better. Sometimes I get scolded because my nipples show, but I like that."

## Do you always wear panties or do you like to skip those too?

"I like panties because they come in cute designs and I like the way they make my bum look. But also, I caught my brother's friend going through my laundry and stealing my dirty underwear. When I realized he was doing that, it gave me butterflies in my stomach. So now I like to play with myself with underwear on so they get completely soaked, and I leave them on the top of my laundry pile for when he comes over."

**Anastasia messes up by wearing her uniform to an interview.**

The employer doubts whether or not she'll be professional enough, but she's willing to do anything to get the job. A girl doesn't need to look professional when she can suck and fuck like a cum-hungry slut. If anything, Anastasia is a professional when it comes to taking a fat cock in her tiny pussy.

# Anastasia: Earns Her Cum

### **Do you have a good work ethic?**

"I always make sure I do a good job no matter what the task is. I'm the best employee at any job I have. I do well in school. I even go the extra mile when it comes to sex. I'm competitive and horny so I want to know that I give the best blow jobs and ride cock well. Practice makes perfect, and BJs and sex are my favorite things to practice."

## **It's no surprise that Anastasia landed the job.**

"I've gotten so good at giving head that my braces don't even get in the way. And I'm not satisfied until I've earned a huge load of cum in my mouth!" Her suck and fuck skills got her the job, and she was very quickly rewarded with the first job perk: that big load she so desperately craves. ### **Veronica can't help it if she started growing early.**

The principal calls Veronica into his office to reprimand her for her inappropriate uniform.

Veronica explains that it's a hand-me-down from her older sister, whom she developed faster than. To get out of trouble, Veronica shows him that her blow job and sex skills are developed, too.

## Do you like that you developed early?

"I liked that boys were looking at me differently. I liked the way my boobs and butt were filling out my clothes. Even teachers and my parents' friends were noticing my new developments. I wasn't one of those girls who tried to hide it. I wanted guys to look at me and then jack off when they got home."

## You weren't scared the principal would freak out?

"I can tell when a guy wants to do me, and the principal had that look in his eye. And when I noticed that he had a boner in his pants, I knew it was on. He had such a nice, big cock. I'd be a bad girl every day if I could get sent to his office and fucked on his desk. His bad girl. After we were done, I was still turned on tasting his cum that was still in my braces."

door gotten closed?

"C'mon," she said, coming around and resting her ass on the edge of my desk. The skirt hiked up just enough to show that she meant business. "I'm sure we can work out...something."

"Tori, if you need help, I'm sure there are plenty of—"

"Cause, you know. You've read all those authors before. Some of them are so haaaaard."

I didn't have an answer. I was going to suggest we talk about it on the way to the cafeteria. It was my lunch hour, after all. Then, a knock on the door. I thought I'd been rescued.

"Bill, you busy?"

"No!" I called, relieved. Ted, my department chairman and the man who'd hired me. Whew! I was about to bid farewell to Tori when she blew me a kiss and dropped to her knees, scuttling beneath my desk.

Oh no...

"So, how was your first day?"

Ted hadn't even gotten across the room. Tori already had my pants open, my dick in her hand, my shorts yanked to the side. Her fingernails dragged along the underside of my cock. At that moment, I was harder than calculus.

"Not bad," I said, praying Ted would get a text and have to run off. Tori's lips wrapped around the tip of my prick, tickling my pisshole with that naughty teen tongue of hers. She gently stroked my shaft and I did my best to maintain my composure.

"Any trouble?"

Not unless you count the crazy girl kneeling under the desk with my cock in her mouth, I thought. Mercifully, as Tori started jacking me with one hand and sucking me off, I kept that little comment to myself.

"Nah, pretty much routine," I lied, as Tori reached into my shorts and cupped my nuts. Damn, but she was good. And here I thought Mindy would be the class cocksucker.

Ted didn't get any texts. His phone didn't ring. He sat on the edge of my desk, making small talk. Meanwhile, about four inches below his hip, Tori was digging her fingernails into my thighs, trying to deep throat me. She was loving the dirty, little secret that

was happening right under someone else's nose, I was sure.

Oh well, how bad could getting fired be, I wondered, throwing my arm over the back of my chair so I could slouch a little. That drove my swollen cockhead across the roof of Tori's mouth and batted aside what had to be her tonsils. Tori's lips tightened. I felt her gulp with the last of me buried in her throat. She squeezed my nuts playfully, trying to get me to cum. I knew that's what she wanted, to get me off while Ted was checking up on the new guy. I was getting close, too. Too close to hold back.

I was terrified about what would happen. It'd be impossible to shoot in Tori's mouth and not let it show on my face. Wouldn't it? Even if I tapped her on the cheek and gave her a warning, when I blew my wad, I came a lot. He'd hear her swallowing...or choking...for sure. Unless...uh oh. What if Tori was a spitter?

"Great, thrilled to hear it," Ted replied, responding to something I couldn't even remember. It felt like time had stopped. I wasn't sure if five seconds or two hours had passed. But

finally, he got up, Tori's drool dripping onto my balls. She started to suck them, beating me off furiously. This was gonna be close.

Ted gave me a fist bump, told me if I needed anything, just stop by his office. I promised him I would, voice just a tad shaky. Please, I begged silently. Close the fucking door...

The latch clicked as Ted's shadow disappeared into the hallway, and I pumped my slutty student's mouth full of jizz. A hot geyser erupted from my dick and Tori made no effort to hide the sound of her guzzling my cum. Several mouthfuls, by the sound of it. And I had to give it to her; the girl cleaned up every last drop. She emerged from her hiding place, some of my spooge smeared across her lip. She smiled big.

"Whoa!" she said, cleaning her lip with her tongue. "When was the last time you got off?" She patted her

belly. "I'm full."

"Listen, Tori," I began, searching for a way out of this. "This, this is crazy. We can't—"

"We just did!" she giggled, fondling my nuts. My dick hadn't completely flagged, even though the door was unlocked, and, if anyone came by...Hello unemployment.

I tried tucking myself back into my shorts. Tori would have none of it. She snatched the scissors from my cup

and snip-snip. Two quick cuts from waistband to seam. My ruined Jockeys hit the floor.

"Tori! What're you doing?"

"Saving you from lunch in the cafeteria," she said, lifting her skirt and hopping onto the desk. "I had breakfast there. Trust me, it sucks. Although if you've worked up an appetite, I have something else you can eat."

She parted those sleek thighs, the skirt crawling up around her hips. Her pussy was on full display now, and even hotter up close. From this angle, though, I couldn't tell if the plug was still in.

"Tori, what do you think is going to happen here?"

"I think, no, I know by the looks of things, you're gonna fuck me good. Real good. Does that sound about right, professor?"

I was speechless.

"Why don't you try before you buy? Give it a little taste. After all, you owe me one."

Tori grabbed me by the tie and pulled me down, guiding me towards her pussy. It sure looked delicious. Fuck it. I went for it, suckling her throbbing clit and lapping up the sweet juices from her slit. She certainly put the fresh in freshman.

"Mmm, yes," she said, pulling me up to kiss me and taste her own juices on my lips.

"So, are you ready to fuck me?"

She flicked her fingertip across my dick. It bobbed around, standing tall again, still slippery with her saliva.

"I don't know, Tori," I said, full well knowing that I was about to fuck the shit out of this girl. I don't know why I was even trying to deny it to myself at that point.

"You don't know how to fuck? No problem, I'll tutor you."

Before I could respond, she grabbed my pole, guiding my tip into her puffy, pink cleft. She traced a circle around her clit, and then dragged my cockhead up and down her slit, transferring her girl goo onto my shaft. She continued working me between her slimy folds, sending spasms of excitement through me.

"See, it's easy! Just...push..."

I did. She nestled me at her dripping entryway and I thrust into her, drawing a gasp and a quiver. Her knees came up, legs parting further. She wanted more, wanted me in deeper. I slammed into her again, wetness spilling out of her juicy gash. She pulled me on top of her.

"Fuck me hard, professor Landry," she begged, wrapping her legs around me. "I need some dick. Really bad. Unh. Yeah, like that. Harder, yeah, harder. I can take it. Ooh! Oh, do that again!"

I pounded away, driving my full

# Paisley: Tight Teen Princess

## Paisley wants you to eat her teen pussy.

She's queen of the school and used to getting what she wants—and that's lots of oral. "A guy going down on me is what gets me off the best." But don't worry, she'll return the favor. "I love to give head. I even love to swallow." And if you couldn't tell by her figure, Paisley is a ballerina, which means she's flexible. If you eat her pussy well, she'll fuck you and show you just how flexible she is.

## Where was your kinkiest sexual encounter?

"In a football stadium after a game. After it ended I kept hanging out there with my crush. We started making out and one thing led to another. The next thing I know I'm riding him right there on the bleachers. That was my first time doing anything in public, and I'd love to try it more."

## What else do you want to try that you haven't yet?

"I would love to be in a three-way with two guys. It's my ultimate fantasy to have one dick in my mouth and another in my pussy. I almost made it happen once but the guys wussed out! I guess they felt weird because they're friends. I say who cares! I just want to have some fun and swallow two loads of cum. There's nothing weird about that!"

Joseline is trying to study, but her mind keeps wandering. It's a nice day out; she might as well have some fun. Off comes her top, revealing perky, round, creamy-white tits. Her ass is equally perky and round, which we can see once she slides off her tartan skirt.

## Are you a good schoolgirl or a naughty one?

"Definitely naughty! My parents thought that sending me to an all-girls private school would keep me out of trouble. Boy, were they wrong! I was eating pussy all the time in the locker room. And the girls that I would hook up with would introduce me to boys and we'd all have fun together. Private school girls are kinkier than public school girls, and that's why I've had so many three-ways."

## How do you get your butthole to gape if you've never done anal, Kelsey?

"Easy, I use butt plugs! And now I've gotten to the point where I can relax and get it to gape without even using a butt plug, but it took a while to get there. I started getting into playing with my ass because once a guy rimmed me and stuck a finger in there and I really liked the way it felt. I haven't done anal but I want to try it."

length into her box, balls deep, then pulling out and slamming into her again. Tori's hips thumped against the desktop. The skirt was up around her waist now, so I grabbed hold of her ass and really gave it to her.

"Uyyy! Yes! It feels so good!" she cried, throwing her arms around my shoulders. She pulled her legs up my back, changing the angle. I fucked her like I hadn't gotten laid in a year, giving her just about everything I had. She was sweating when her first orgasm arrived, rattling the pen cup to the edge of the desk.

"Mggnff-unggghhh!" she screamed, mouth pressed into my chest. Even so, I could still kinda hear it, despite it being muffled. Of course. Tori would be a screamer. How had I not guessed?

"Again!" she demanded, her nails scratching my back. This time, she uncrossed her ankles, and pulled them even farther back. Far enough to rest them on my shoulders.

Gymnast's body, all right, I thought, bending her like a pretzel as I penetrated her again. My balls were slapping against her, my hands clutching her cheeks. Then...then my middle finger nudged something familiar. A little pink nub.

"Hoohh!" Tori yelped. "Yes! Do that again!"

I didn't just nudge it this time. I got my middle and index finger on either side and wiggled it up and down, plowing into her incredibly tight twat. It was a good thing I'd ejaculated in her mouth, otherwise I'd have never been able to hold out in her pussy this long. I'd banged a decent number of girls in my life. Some with absolutely no inhibitions. Tori? Without a doubt, Tori was the best fuck I'd ever had.

I quickened my pace. Wasn't sure how much longer I could hold out, but getting hold of the nub with three fingers enabled me to twist it some, just as I was on the downstroke.

Tori came furiously, biting her fist in order not to shatter the glass. She threw her head back, tears streaming down her face, the climax so intense.

She was half sitting up now, shaking so much it felt like the entire desk was moving. Who knows, maybe it was. Given the intensity of Tori's orgasm, the damned thing would've needed to be nailed into the floor to have stayed still.

"Y-you have to slow up," she gasped, holding on. She looked frazzled. Her hair was a mess. Make-up smeared. Sweat rings had formed under her arms. Pussy juice stained the base of my desk. The classroom smelled like my first apartment, after a particularly outrageous bout of sex my first summer away from home...

**"Gymnast's body, all right, I thought, bending her like a pretzel as I penetrated her again. My balls were slapping against her, my hands clutching her cheeks."**

on a day when the air conditioner had gone out. I was surprised the windows weren't fogged up.

"Slow up. You mean, like this?"

I went back at it, hard and fast and hauling one leg straight up so I could have free access to the plug. Tori's eyes went wide. She grabbed hold of the desktop and let out a moan.

"I-I can't hold on much longer," she whimpered. "Just one, m-maybe two more..."

I pushed on the nub, pressing it further into Tori's asshole. She bit her lip hard, trying not to make any noise. Her head shook from side to side.

"T-too much," she managed. "T-t... too m-much..."

But it wasn't, and both of us knew it. I thumbed the stem of the butt plug like it was a joystick and I was gunning for the high score. A few seconds later, I thought I had it.

Tori's back arched, her mouth opened, and the scream came. Fortunately, so did my hand. I clamped it over her mouth and felt the ferocity of it against my palm. I was pretty sure it would have triggered the fire alarm. When I felt safe, cock still deep in Tori's snatch, I let go.

She took a long time recovering and catching her breath.

"P-pull out," she said, still trembling. "Now...right now!"

I was a little surprised at her insistence. Had I done something wrong? Or, wait—maybe it wasn't me. Had Tori heard something? Like, maybe someone at the door?

I glanced over, but didn't see any shadow. So far, so good. I withdrew my still-stiff prick from her molten tunnel and waited.

"Did you cum?" she asked, chest still heaving. Small boobs, but they looked phenomenal now that her t-shirt was soaked and pasted to her like she'd been walking out in the rain.

"No," I assured her. "Don't think I'd still be sporting this if I had."

I gestured to my cock, standing at attention.

"Good!" she exclaimed, meeting my gaze. Her smile was wicked.

"You know how this ends," she said, sliding off the desk. "Just like all those hard books on the syllabus."

With that, she turned, bent over, reached back, and wrapped her fingers around the pink nub.

"Uhhhhhhh," she groaned, voice low, face pinched. Slowly, she tugged, then turned, then tugged again. On the third try, she worked the plug free, dangling it there next to her puckered brown eye. Showing off a little. Waiting for me to connect the dots. She gave her hips a little shake.

"What do you say?" she asked. "Ready to finish?"

"You mean—"

"You know how I want it, stop pretending you don't. You've known ever since I dropped my pen."

Had I? Maybe. But probably not. Now that I did, though, I was ready. My dick was well lubed with her cunt cream, and despite my having blown one load already, pre-cum was beginning to trickle down my shaft. I put my hands on Tori's curvy hips, and worked an inch of my cock into her eager asshole.

Plug play or not, Tori's back door was still a tight squeeze. Her ring of muscle gripped me firmly, but with a little effort, another inch disappeared. Then another. And then, with about four inches to go, boom. Her dark

rose eased enough for me to plunge in all the way. Balancing on her tiptoes, Tori rocked against me as I nailed her ass, grabbing hold of her shoulders so I could really ram it home.

"Yes!" she hissed. "Do it. Fuck my little ass!"

I didn't have much left. I'd nearly let loose pulling out of her snug pussy. But now? Ass-hammering this slutty, little college kid was quickly bringing me to the brink. I'd lost track of her climaxes. Two for me in forty minutes? That hadn't happened since high school.

"Oh, yeah. I can feel it. You're getting close," she announced, likely because my balls were so tight you could've bounced quarters off them. She was right, though. I was ready to explode again.

"Any second," I confirmed.

"Ungh! Do it, then. Like I want. Jizz in my ass! Fill my asshole like you did my mouth! I want to feel it dripping down my crack!"

Four strokes. That's all. Between the dirty talk and how good it felt in her butt, I shot, flooding her ass with load after load of cum.

"Ohhh, I can feel it!" she sighed. I felt her too as her butthole clenched with what seemed to be an anal orgasm. She let me lean against her while the last of my nut butter drained into her rectum.

Finally, I pulled out. Giving her round asscheek a smack with my dripping cock for good measure.

"Let me guess," I said, zipping my fly. "You also signed up for Great American Novels."

"Huh? Oh, no, I don't have that class. I'll stop by afterward, though. My best friend's taking that."

"You made a best friend on the first day of school?"

"No, silly. Mindy and I went to high school together."

"Mindy? She's your best friend?"

Tori smiled. That same pretty but wicked smile that hinted of naughty things to come.

"Yup. Oh, and you know what else?" she added, snagging her tablet and heading for the door.

"What?"

"We love doing things together. All kinds of things. See you later!"

Freshman, the both of them. That meant at least four, possibly five years of classes.

I might die of dehydration.

## **All it takes is one look at little Alex to know exactly what you want...**

And that's to see her tight body splayed out completely nude while she gyrates on a hard cock. You're in luck, because Alex wants the same thing, too! In this scene, Alex goes for her

teacher's cock. She knows how to play it cool while seducing him. From the moment she flashes her panties to him to the finale where she bathes in his cum, she's got it under control.

### That's one snug student snatch!

Alex gags a little when swallowing her teacher's cock, but even then she doesn't skip a beat. She lays back and enjoys the teacher's long stroke in and out of her teen cunny. Her slit is an immaculate, tight fuckbox. We don't blame him for risking his job to fuck her. You can watch this scene in *The School of Hard Cocks 2*.

## Do you feel sexier in thongs or in full-back cotton panties?

"A lot of girls think they need to wear thongs to be sexy, but I know plenty of guys who think regular cotton panties are hot. Especially when they're soaked with pussy juice. My teacher couldn't resist me once he saw my wet panties. He worshiped my ass and pussy and then fucked me until his cock was as soaked as my panties. He was so turned on that he sprayed my face with a huge load of cum. I loved it."
